MOTION TO INTERVENE FOR
INJUNCTIVE RELIEF

ON BEHALF OF

STEVEN E GREER

To:

The Honorable Terry A. Doughty

Chief Judge

United States Court House

515 Murray Street, Suite 105

Alexandria, Louisiana 71301

From:

Steven E. Greer, MD

Intervener

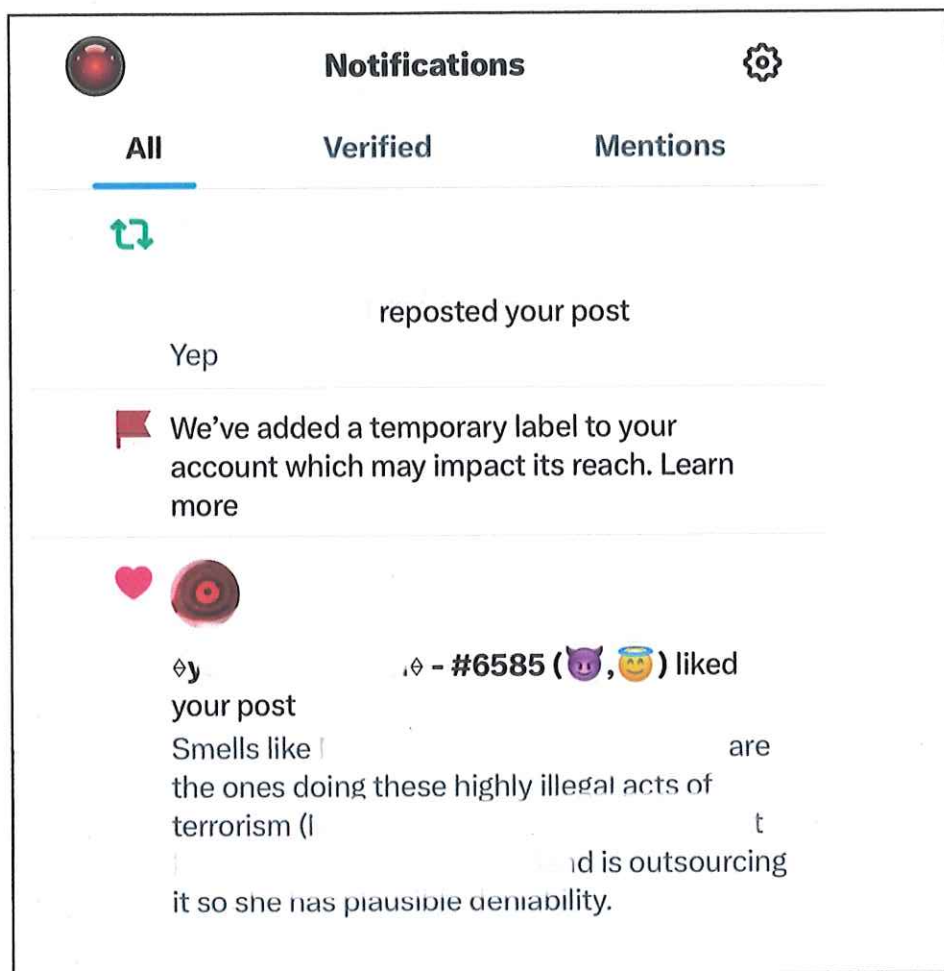

Dear Judge Doughty,

I am writing to inform this Court about a violation of the recent injunction that was activated in the case listed above (*Kennedy v. Biden* (ECF 38)). I have been the victim of the same state-private-collusion of censorship since at least 2012. An incident occurred on July 17, 2024, after the injunction went into effect that violates the injunction.

For more than a decade, Twitter, now called X.com, has been colluding with the federal government to censor me. I have had at least 13 Twitter accounts shut down for no stated reason. Only after Elon Musk purchased the company did my primary account, @THEHCC, become reinstated. It was shut down for five years, starting in 2018.

However, despite X.com lawyers' denials, I have still been deamplified or shadowbanned. When the Supreme Court lifted the *Missouri v. Biden* injunction, those bad actors went back to business as usual, violating the First Amendment even more aggressively and openly.

On July 17, 2024, I posted a comment suggesting that a certain spy agency was involved in the plot to assassinate President Trump. Within minutes, X.com sent me a message stating that they had, "added a temporary label to your account which may impact its reach"

There was no attempt to pretend that I violated arbitrary rules or guidelines. They were simply brazenly censoring me, and telling me so with hubris.

I assert that ample evidence exists to merit relief under the existing injunction issued under this *Kennedy v. Biden* case. I seek relief to have my X.com account immediately lifted from any secretive deamplifying or shadowbanning measures, and to then convene an evidentiary hearing. I have been greatly harmed and immediate relief is warranted.

Dated July 18, 2024

Respectfully,
